

### **Operational Assembly**

- Michael Garrity provided highlights from the September 9<sup>th</sup> Operational Assembly meeting. The Assembly is reviewing membership and establishing goals. Diversity Committee will begin meeting in September. Compliance reporting from Research was completed on time in FY2019. Academic Affairs reported on concluding several search committees for deans and coordinators. Guided Pathways continues with finalizing Steering Committee membership. The Alumni Association Glow Golf Outing had their largest turnout this year.

Mr. Garrity responded to a question related to the new email banner warnings. The banner alerts individuals to the fact that an email is generated from outside the Triton College email system. This is being done to help prevent users from clicking on phishing emails.

### **Academic Senate**

- Dr. Flaherty highlighted the following from the September 10<sup>th</sup> Academic Senate meeting. Curriculum Committee is considering the General Education Core Curriculum (GECC) Certificate for students in AA or AS programs. Academic Scholastic and Standards Committee reported that the Grade Change Policy modifications has been approved by the Board of Trustees. Assessment Committee continues its work with Student Learning Outcomes. Technology Advisory Distance Ed (TADEC) Committee is seeking a Chair for this committee.

### **Student Success**

- Shelley Tiwari provided an update on Guide Pathways including Steering Committee selection, communication process, and next steps.

### **Old Business**

#### **College Council Goals**

Council continued discussion on FY20 goals and anticipates finalizing goals at the October meeting.

### **New Business**

#### **Operation & Maintenance Online Work Order Demo**

John Lambrecht and Rebecca Hernandez-Chavez demonstrated the new Online Work Order request system. The online work order system can be accessed on the Triton Portal under Employee Resources – Facilities – Work Order Request.

### **Follow up from Council Election**

Since the Council has completed a cycle electing members, the Council has decided to form a subcommittee to review the procedures and process.
