

One Workforce Program for Advanced Manufacturing

What is Advanced Manufacturing?

It's the future of how things are made. Advanced manufacturing industries increasingly integrate new innovative technologies in both products and processes.

Supporting **In-Demand** Career Pathways

Diesel Technology - **Truck Engine Repair**

Do you see
yourself in an
Advanced
Manufacturing
career?

We can help
make it possible
through the
One Workforce
Program

Apply Today!

Through an H-1B One Workforce Grant from the US Department of Labor, CAIC is able to provide job opportunities and financial assistance to obtain industry-recognized credentials in the manufacturing sector by paying for tuition, books, and fees at one of our college or training provider partners.

Am I eligible?

Applicants must be 17 years of age or older, not currently in high school, and are able to provide a Social Security Card and valid State ID or Driver's License. Applicants may be enrolled or plan to enroll in an Advanced Manufacturing Career Pathway Curriculum at a Partner College or Training Provider.
